The 2nd Annual NATOA Indigenous Youth Summit is a two-day event that focuses on empowering our youth with skills and advice to jumpstart their careers. NATOA is pleased to provide an inclusive space for participants to connect and learn across various areas. This summit also aims to provide youth attendees with a platform to make new friends, share experiences & build resiliency to inspire their future success.

NATOA is counting on your support for our upcoming events. Join us in our mission towards providing Indigenous Peoples of Canada with the resources and information they need financially to benefit our future generations of Canada.
